The EAA 838 Facility

The EAA 838 facility has **16,000** square feet of reasonably priced, climate-controlled, fully accessible, multi-functional floor area.

DEPOSITS

EAA 838 requires a **\$500** reservation deposit and a signed rental contract before we will reserve an event date. **Deposits must be made using a credit or debit card.**

FOOD SERVICE

Banquets require outside catering. Users must obtain all licenses and permits related to their intended use of the premises, including those for food and beverage service.

FACILITY USAGE

Business meetings, reunions, receptions, family events, training programs, parties, sales presentations, and fundraisers are all an excellent fit for EAA 838's versatile facility.

- **Business and Corporate Events** will enjoy a calm, comfortable environment with modern media and communication capabilities
- **Family and Social Groups** will find the regional aviation theme of our building an unforgettable backdrop for special events
- **A Spacious Museum Hall** with a soaring ceiling can accommodate large equipment and exhibits. Additionally, we have a substantial outdoors display space

For more information, contact our **Building Rentals Coordinator** at 262.900.7411 or buildingrentals@eaa838.org

About EAA Chapter 838

Chapter 838 is a Gold-rated Chapter of the Experimental Aircraft Association (EAA), a growing and diverse organization of members with a wide range of aviation interests and backgrounds.

We foster, promote, and engage in aviation education and outreach. Our programs include encouraging better understanding of aeronautics, and an awareness and appreciation for the history of aviation. Chapter 838 also advocates for safety in the design, construction, and operation of all types of aircraft.

Our members meet regularly for programs such as Homebuilder's Night, IMC, VMC clubs, providing free flight experiences to youths ages 8-18 through Young Eagles, special classes and simulator training, and the Southeast Wisconsin Aviation Museum and Hall of Fame, among other events.
